## Affiliate Program

Barron's Test Prep's affiliate program offers an excellent way to monetize your existing customer base and online traffic. If you are a complimentary service provider such as admission counselor, test prep tutor or an education blogger, you can refer our online courses and post links to our pages and products. It's easy, fast, fun, and potentially very profitable!

### How does it work?

Simply refer our products to your students. When your students or visitors to your site click through to our site and make a purchase, you get a piece of the action! Earn up to 15% of each course when your unique link is used to subscribe to one of our online courses.

We provide you with all of the tools you need to be a successful Barron's Affiliate -- you can get new links to our site and access reports online 24 hours a day, 7 days a week so you can see how well you're doing. You just need to post links on your site and we take care of the rest: we handle taking the order, billing, online course delivery, customer service and technical support after the sale.

**YOUR success is OUR success!**

## Why should you join?

You have nothing to lose and everything to gain! The benefits are immediate and clear:

- Associate with an industry leader
